RE: Road abandonment—E Street

Dear Mr. Lemley:

This is in response to a letter dated October 19, 2007 on behalf of Judith Chester and Evers Brown. If you will recall it is for a road closing for a section of E Street.. Our research findings indicated that there are no gas lines in this easement and therefore, you may proceed with your development. If you have further issues or concerns regarding this or other properties, please feel free to contact me again.

Thank you for your consideration in this matter.

Regards,
