RE: Letter for Consent of R.O.W. Abandonment

Dear Donna:

City Water and Light Plant of the City of Jonesboro ("CWL") has been requested to consent to the vacation and abandonment of a portion of Azalea Lane described as follows ("Existing Right of Way"):

That portion of Azalea Lane South of Aggie Road.

CWL has no objection to the abandonment of the Existing Right of Way subject however to the following conditions. As a condition of the abandonment of the Existing Right of Way, CWL requires a **twenty (20) foot water & electric easement running north and south along the portion of the street to be abandoned ("New Easement")**. The New Easement may be as reflected in the approved final plat and plans or by separate express, written easement. Upon receipt of proper documentation reflecting the New Easement, CWL will proceed with executing any necessary documentation to reflect abandonment of the Existing Right of Way.

As required by Sections 113-49 and 113-50 of the Jonesboro Municipal Code, please present the preliminary plat and final plat to CWL for its consideration and approval.

Further, please confirm that the vacating ordinance contains provisions that preserve the Existing Right of Way until the New Easement is properly granted.

Please feel free to contact me with any questions.

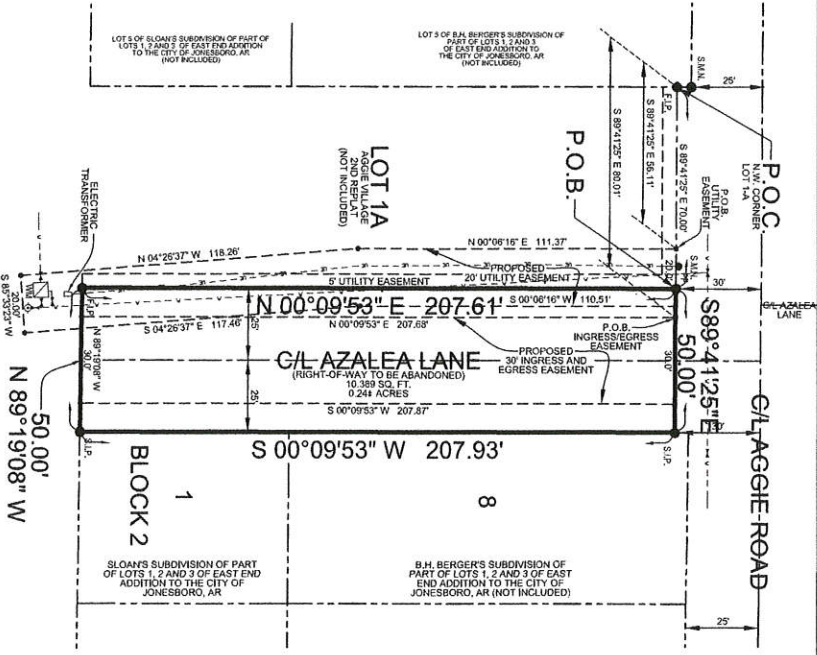

Sincerely,
