**Sponsors:** Mayor's Office

*Councilmember David McClain said, I was just curious the difference. What's the difference from what we have to this? City Attorney Carol Duncan said, the main difference, well the only difference, is that in the past there's been some confusion with applicants that don't hire council. They just try to do it themselves, which they're able to do, but they're confused that they don't understand that they have to bring their own ordinance with them. So it's just clarifying and adding that step in so they don't come thinking they are ready to go and then get sent away because we can't draft it for them. They have to draft their own legislation and bring it. That's literally the only change. Just to clarify the confusion.*
