**Applicant's Proposal:**

The property is located in a pre-existing industrial park area, zoned as I-1 Industrial. While the proposed location is feasible and appropriate, the Zoning Code requires that the request be approved by the MAPC. Staff anticipates no issues with this application and feels confident that it will meet all other requirements such as setback, height and parking lot capacity. The interior refinish work shall be approved by the Chief Building Code official regarding building code and change of use requirements.

**Conclusion:**

Staff finds that the requested Conditional Use: Case 16-06: Smoke Shop will be a proper fit into the general project vicinity and will promote sound land use planning for the City of Jonesboro.

MAPC should consider the following conditions if the request is granted in full on the basis of the Conditional Use:

1. That upon issuance of the Zoning Permit Approval, all other building permit and other permits and licenses required locally and statewide be applied for and obtained by the applicant.

Respectfully Submitted for Commission Consideration,

Otis T. Spriggs, AICP, Planning & Zoning Director

**Sample Motion:**

I move that we place Case: CU-16-06 on the floor for consideration of recommended approval by the MAPC with the noted conditions, and we, the MAPC find that to proposed Commercial Retail space as a Smoke Shop will be compatible and suitable with the zoning, uses, and character of the surrounding area, subject to the Final Permit review and approval by the Planning, Engineering and Inspection Departments in the future.
