

Jan. 21, 2020

I would like to thank the Mayor, Jonesboro City Council, especially the Terrific Trio, and the Unity Coalition Advisory Committee members for what I witnessed yesterday in the unveiling of two signs announcing the 2,000 block of the Dr. Martin Luther King Jr. Drive.

That street sign was why I applied for and served on the Unity Coalition Advisory Committee – so we could come up with an acceptable compromise for naming a street after the slain civil rights leader who fought for justice for all.

Thank you again for renaming the street. Jonesboro is my home now and if I can be of service again, just let me know. You've got my P.O. Box and my resume.

Thanks.
