*City Engineer Craig Light explained this is a continuation of the project that was done last year. It will take the project down another block. There will be a 6x4 box culvert on the side of the roadway. Councilman Dover asked if there will be sidewalks. Mr. Light stated there won't be new sidewalks; rather, the existing sidewalks will still be used, but if any of them are damaged they will be patched.*

*Chairman Street asked how far this project will go with the extension. Mr. Light answered it will go to Fairfield from where it stops now. He added they hope next year they will get funding for the rest of the project to take the project down to the Sonic on Race Street.*

**A motion was made by Councilman Darrel Dover, seconded by Councilwoman Ann Williams, that this matter be Recommended to Council . The motion PASSED with the following vote. Mayor Perrin voted aye to pass the measure.**
