Honorable Neil Stallings  
Mayor  
P. O. Box 580  
Jonesboro, Arkansas 72403

Dear Mayor Stallings:

In accord with requests from the City of Jonesboro and Arkansas State University, we have conducted a traffic operations study at the Highway 49 - Aggie Road intersection. The results of the study indicated that a traffic signal is warranted.

As discussed at our meeting on December 9, 1986, we will develop construction plans for a traffic signal installation and forward to the City for review and comments. The project would qualify for Federal-aid Urban Funds should the City decide on this method of funding.

Yours very truly,
