

PETITION

We, the undersigned property owners and residents of an area near Warren, Maple, Church and Center Streets in the City of Jonesboro, hereby petition the City of Jonesboro to prohibit Roger and Silvia Watkins from operating a trailer park which is located at 210 Center Street, Jonesboro, due to the noise of the residents, destruction of property, children not being taken care of, etc. by the residents of the trailer park.

We consider the trailer park a public nuisance due to the way it is operated by Roger and Silvia Watkins, who live at Bono. They don't seem to care who they rent to, as far as the neighbors are concerned. Money is all they want. Also, the lack of cooperation of the Watkins with the people in the neighborhood. Roger and Silvia Watkins have a habit of non-cooperation with the surrounding neighbors. Roger Watkins has given some of the neighbors a cursing and Silvia Watkins has bawled them out on several occasions. It seems they think we have to put up with anything they do or anybody they rent to--money is all they want. We feel that this park should be closed by the City and moved from this neighborhood. The neighborhood, except for the trailer park, consists mostly of retired people.
