

Northeast Arkansas Regional
Solid Waste Disposal Authority

P.O. Box 8007
Jonesboro, AR 72403

December 18, 1990

Hon. Hubert Brodell
Mayor, City of Jonesboro
City Hall
P.O. Box 580
Jonesboro, AR 72403

Dear Mayor:

As it has turned out, the Solid Waste Authority is really not a regional authority in spite of our name. Since other organizations are now in the process of putting together regional authorities, we believed it would be a good idea to change our name to more accurately reflect what we really are.

Enclosed is a proposed ordinance for your legislative body to adopt.

If you will send it to me after adoption and after it has been signed by the necessary officials, the Authority will see that it gets published and pay for the publication.

Very truly,

Charles Frierson, III
Chairman
