Mr. John Bartelt  
319 South Church  
Jonesboro, Arkansas 72401

Dear Mr. Bartelt:

I am in receipt of a fax from you dated August 16, 1994 showing the proposed abandonment of a portion of a right of way south of WORD and east of MAIN. This is further described as an extension of CHURCH to the south to the Jonesboro Ready Mix Plant.

This piece of property is not included in the Five Year Traffic Plan prepared by the Jonesboro Metropolitan Area Traffic Authority for the City of Jonesboro. It is not considered useful in the development of a street network to meet the traffic needs of the City.

Sincerely,

Aubrey E. Scott, Chairman  
Citizens Planning Committee  
Jonesboro Metropolitan Area Traffic Authority

September 1, 1994
