Re: Ditta/Highland Drive Development

Dear Mayor Perrin:

Please accept this letter in support of the proposed development of the commercial lot at the corner of Wofford and E. Highland Drive into a hardware store. This appears to be the highest & best use for the property.

We own a home located .7 mile east of the property in the MacArthur Park subdivision. It is my opinion the development would not be a detriment to the neighborhood. I also point out that the developer and business operator's home is located about .5 mile from the proposed project.

Regards,
