Re: Job #106047 – Southwest Dr.
Hamman Newell Engineering

Dear George:

Per our conversation February 28, 2008, CWL does not have an overhead electric service line across Tract 1 as shown on your plat (highlighted in yellow). This line was removed when the building located on Tract 3 was demolished.

CWL will need to maintain the electric easement along the westerly edge of Tract 1 and Tract 2 for future service.

Please call if you any questions.

Sincerely,

A handwritten signature in cursive script, reading "Karen Mangum", is written over the typed name.

Re: S & A Construction, LLC
Requested Overhead Electrical Easement Abandonment
File Number: 108015

Dear Mr. Hamman:

CenterPoint Energy has no objections to the abandonment of the Overhead Electrical Easement as shown on the Easement Abandonment Request Tract 1, Heritage Bank Replat of Southwest Drive Minor Plat For S & A Construction, LLC that we received January 23, 2008.

If you are ever in need of any other natural gas service or information please feel free to contact me. My number is 870-897-3751.

Thank you for including us in your current and future planning.

Sincerely,

A handwritten signature in cursive script that reads "Garrett T. James".

Dear Mr. Hamman:

RE: electrical easement release - file 108015

AT&T would have no interest in an "electrical line" easement, as stated on your plat. We would only have an interest in a dedicated utility easement.

If this is indeed an easement only for the electric companies or for the placing of electric lines, it may be released without AT&T's concurrence.

If you have any questions or comments, please call me at 501-373-5255.

Sincerely,

A handwritten signature in cursive script that reads "Lynda Palmer".
