Honorable Hubert Brodell  
Mayor, City of Jonesboro

Jonesboro, Arkansas 72401

Reference: Closing of Jackson Street

Dear Mayor Brodell:

Craighead County respectfully requests that you take the appropriate action with the City Council to close Jackson Street between Union and Madison.

Craighead County owns the property on both sides of Jackson Street. I have talked to the Chamber of Commerce, and they express no problems with the closing.

Craighead County plans on building a three story courthouse annex immediately south of the old Masonic Hall. This building would extend across Jackson Street.

We want to be able to tie the present courthouse with the new annex with an overhead walkway.

Please call me if I need to be present at the City Council Meeting, or if you need additional information.

Sincerely,

Roy C. Bearden  
Craighead County Judge
