

City Engineer comments on items for August 1977 M.A.P.C.

- Item #1. Need a dedication deed for 60' foot of right-of-way from centerline of Highland Drive.
- Item #2. Check for dedication of right-of-way on Wilkins.
- Item #3. Development plan was never submitted to comply with stipulation of final approval of replat in March 1977. Also, some changes in drainage were made without proper documentation.
- Item #4. Need development plan for all or part as soon as possible.
- Item #5. As of this date no approval of drainage for Briarwood 6th has been requested as noted in stipulations of final approval Oct. 1976.
- Item #6. Plat does not show right of way on Caraway Road.
- Item #7.
- Item #8. See plans and check list.
- Item #9. See Plans and check list.
- Item #10. No comment.
- Item #11. Check dedication of 60 foot of right of way on Caraway road.
- Item #12. No comment.
- Item #13. See plans and check list.
- Item #14. See plans and check list.
- Item #15.
- Item #16. Stipulations attached to final approval of Candlewood 5th Addition (May 1977) have not been complied with.
- Item #17. See plans and check list.

  
Mike Cameron, City Engineer
