RE: Street and Alley Closing
Block Street and Adjacent Alleys

Dear sir:

Please find attached a map showing our existing sanitary sewer lines in the above-referenced area. We have no problems provided a 10' sanitary sewer easement (5' either side as constructed) is provided.

Thank you for your cooperation.

Respectfully,

Dear Mr. Winters,

Arkansas Louisiana Gas Company does not object to the closing of Block Street, nor the closing of the alley north of Aggie Road between Block and Liggett. We do not have gas lines in the alley or on Block Street.

Yours truly,

Bob Jones
