Senior Code Enforcement Officer Michael Tyner said this is a vacant house. It's been vacant for a while. The window is broken out and the ceiling is falling in. It probably needs to be taken down pretty quick.

Councilmember David McClain asked if this needed to be walked on tonight. Mr. Tyner said no. There's no emergency.

A motion was made by Councilperson Chris Gibson, seconded by Councilperson David McClain, that this matter be Recommended to Council . The motion PASSED with the following vote.

Aye: 3 - David McClain;Chris Gibson and Gene Vance

Absent: 1 - Chris Moore

5. Pending Items

6. Other Business

Chairmember Mitch Johnson said I have an ordinance for a private club permit for Horizon Bistro. Ordinance No. 18:049 has been brought before the committee. Councilmember McClain said it's not on the council meeting. City Attorney Carol Duncan said I think they go straight to council. Mayor Harold Perrin said yes. Councilmember McClain said I thought it was on the council meeting tonight. Ms. Duncan said I think it needs to be on the council meeting tonight. Councilmember McClain said it is. Isn't it? Ms. Duncan said it's not on the agenda. Mayor Perrin said it's not on the agenda, but it will be walked on at the council level. That doesn't have to go before committee. Ms. Duncan said through a committee. Chairmember Johnson said okay. Good enough. Then, I was mistaken. Mayor Perrin said that's okay.

Chairmember Johnson said I spoke with Jim Stark, Supervisor with Vector Disease Control, Inc., (VCDI), last night for a mosquito update. They did a flyover on July 3. They also did one on July 11, and they are looking at doing another tomorrow night weather permitting. I don't see any reason why the weather wouldn't permit. I don't know about everybody else, but I think they have a handle on it. At least, it's been a little better in my neighborhood it seems like. I'm glad to see that, anyway. Mr. Stark said they are pretty busy taking care of things and he's not trying to not appear here, but he's been getting me an update, and if anybody wants him here, he'll be here. Everybody should have his numbers if they need to get in touch with him on anything else.

Councilmember Joe Hafner said, Chairmember Johnson, can I say one more thing on the Vector stuff? Chairmember Johnson said yes. Councilmember Hafner said I was going to call them the other day and I just Googled Vector Pest Control, and it had the right address and everything, but on Google, it had a telephone number of 870-335-2095, which was out of order. It looks like their number is 870-933-6939. So, if we can ask them to update their number on Google, it might help some people. Mayor Perrin said are you talking about their website. Councilmember Hafner said no. If you just Google Vector Disease Control of Jonesboro, Arkansas, it pops up for their listing and it has it on there. Mayor Perrin said yes, on their end. We can get Communications Director Bill Campbell to call Mr. Stark. That's not a problem. Chairmember Johnson said I'll make a note here to get in touch with him. I think that number is the one that's published in the phone book if you look for it. The one you just mentioned. Mayor Perrin said we do have the cellphone number for Mr. Stark. If any of you want that cell number, I can get Administrative Assistant Amy Clark or Office Manager Chrystal Glisson to send that out to you all tomorrow, in case you all need to talk to Mr. Stark about something. Feel free to do that. He always, normally, answers my calls. I'd be happy to do that. He's done a great job here for Jonesboro.

Chairmember Johnson said if he can't get right to you, he will call you back, too. Mayor Perrin said you're right. He sure will.

7. Public Comments

8. Adjournment

A motion was made by Councilperson Chris Gibson, seconded by Councilperson Gene Vance, that this meeting be Adjourned . The motion PASSED with the following vote.

Aye: 3 - David McClain;Chris Gibson and Gene Vance

Absent: 1 - Chris Moore
