

COMMUNITY MEETING

Meeting Minutes 01-19-20. 2:00 PM

Members of Pilgrim Lutheran Church and the community are on the attached sign in sheet.

Jeff Pittman presented the proposed rezoning of the property at 604 E Highland and the adjacent lot. He explained the history of the lot and home including the use as a Christian High School for a time. There was a question about what the zoning meant. Jeff Pittman presented the definitions of the commercial zoning and also presented the proposed site plan from a potential buyer as a bank branch. There were some questions regarding entrance and exit and the proposed site plan shows entrance and exit on both Rains and Highland in the approximate location of the current residential drives. Jeff Pittman asked those present if there were any other questions or concerns or if they were aware of other neighbors to please let us know as soon as possible. No additional objections or concerns were voiced. The meeting was adjourned at 2:27 PM.
