Donna,

Regarding Johnny Tierce, according to our maps, we do not show 2113 Indian Trails, where he is listed as a registered voter. Per Nancy at the Assessor's office, we were able to compare parcel numbers and were able to determine the location and verify that the address is in Ward 4. The parcel numbers have not been updated to reflect on the map. I am attaching the map, in case you need to see it. All of our information to verify wards comes from the Craighead County GIS map.

Tom Fielder is registered to vote at 3928 Brandywine Dr, located in Ward 5. The address you provided at 1002 Rolling Forest is also in Ward 5.

All others have been verified as registered voters, at the addresses provided, and verified to be in Ward 5.
