Subject: amendment to a previous resolution

Donna,

Mike Johnson with Nettleton Public Schools called to inform me that the length of the school day for Nettleton has changed and they need the designated One-Way times changed for Race St. This one-way was adopted July 15, 2002 on Resolution #2002:30. The location of the one-way needs to remain the same but the times need to be changed as follows.

Change the morning times from 7:30am-8:30am to 7:15am-8:15am and the afternoon times from 2:30pm-3:30pm to 3:00pm-4:00pm. If you have any questions, please contact me.
