

What We Do

Connect

The MYAC focuses on peer connections by promoting team work and community among it's members.

Create Opportunities

The MYAC prides itself on the connections and opportunities our students set out to make. We are constantly growing and always seek new opportunities to better Jonesboro and it's surrounding areas.

Care

The MYAC cares about Jonesboro and the youth's opinion about our city. Students can express their concerns and present solutions by being on one of our 6 task forces. Task Forces are led by students who use their skillsets to create fun and interactive events that benefit aspects of the community they seek to be involved in or improve upon.

**LEAD.
GROW.
EDUCATE.**
THE
MYAC

Where We're From

The Mayor knew the youth needed a say in what happens in Jonesboro. After months of work the Mayor's Youth Advancement Council was created. We now represent four local High Schools (Jonesboro, Nettleton, Valley View, and Westside), as well as homeschool groups and private schools in the area.

Our Accomplishments

- Held Vaccine Clinic that distributed 41 Flu Vaccines and 36 Covid-19 Vaccines
- Organized a "Pink Out" at schools in Jonesboro for Breast Cancer Awareness Month
- Created a Black History Month series on prominent African American figures
- Organized tornado relief for Trumann
- Organized trash cleanups around Jonesboro
- Have been featured on Good Morning America, Region8 News, and Channel 24

The Mission of the Mayor's Youth Advancement Council

The primary mission of the Mayor's Youth Advancement Council is to involve the youth in community issues and decisions, to advise the Mayor and City Council of the youth's perspective, and to empower future leaders to become engaged in within their community.
