Dear Ms. Jackson,

The City of Jonesboro Engineering Department has received a revised Maintenance Agreement from Gillis Inc, for Parker Place Second Addition. The original Maintenance Agreement (RES-14:113) that was passed by City Council had the subdivision name of Parker Place Phase II. The revised Maintenance Agreement and Legal Description for the Parker Place Second Addition is only a name change for the subdivision that will be recorded in the Craighead County records, both the Maintenance Agreement and Legal Description of the property will remain the same.

If you have any questions, please feel free to contact Craig Light, City Engineer or myself at the above listed numbers.

Sincerely,

A handwritten signature in black ink, appearing to read "M. Morris".
