Ms. Donna Jackson  
Jonesboro City Clerk  
Jonesboro, AR 72401

Re: UTILITY LETTERS

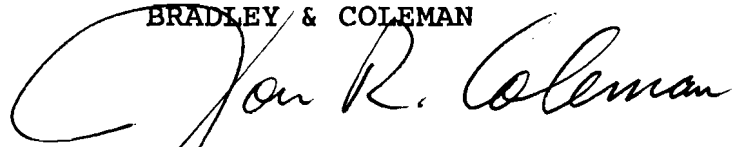

Dear Donna:

Enclosed please find letters from City Water & Light, ARKLA and TCI of Jonesboro, stating they do not object to the closing of that portion of McClure Street we are petitioning to close.

Also, I talked with engineers from Southwestern Bell and expect a letter within the next few days. If you have any questions, please do not hesitate to contact me.

Yours Sincerely,

BRADLEY & COLEMAN

Jon R. Coleman

RE: Closing of McClure Street, between Johnson Ave. and Word Street

The undersigned representative of the public utilities, serving the City of Jonesboro, is aware of the abutting property owners petition to close McClure Street, between Johnson Avenue and Word Street, in the city of Jonesboro. We do not object to this street closing and hereby consent to the closing. Where appropriate, we do retain a utility easement for our utilities that may be located in the right-of-way for the street in question.

RE: Closing of McClure Street, between Johnson Avenue  
and Word Street

The undersigned representative of the public utilities, serving the City of Jonesboro, is aware of the abutting property owners' petition to close McClure Street, between Johnson Avenue and Word Street, in the city of Jonesboro. We do not object to this street closing and consent to the closing conditioned upon receiving a utility easement covering the entire right of way being closed.
