Letter from my little one, Daniyal. His name is pronounced "Don-y'all".

Dear Mayor Perrin

Thank you for trying to stop  
people from doing bad things.  
And try to tell people to follow rules.

There is no shot, even though  
we are off school, we shouldn't  
have play dates and see friends,  
even your ~~neighbors~~ neighbors. Please tell

people to be safe, stay 6 feet away  
and stop play dates because

you don't want to have COVID 19.

You could be a carrier, you don't  
want to hurt sick or old people.

We have to do better than the

plague times. America stands for when  
it gets hard, we still stand strong.

Sincerely, Danial Khan age 7
