

MEMORANDUM

DATE: July 1, 2002

TO: Memo to the Files

FROM:  Larry Flowers

SUBJECT: Redemption of Property - W 83' Of Lot 10, Flint's Addition

I called the Land Commissioner's office today and was told that since we had received a redemption deed on the above property, it would not be sold on July 10 per the legal notice in today's *Sun*. I was told that the sale notice was prepared for publication several weeks ago, prior to receipt of the City's redemption payment.
