Describe the proposed use, explain why it is appropriate for this location, and describe any precautions to be taken to minimize adverse impacts on neighboring properties.

This site is proposed to be used for a new location of the Jesus Unlimited, Inc. Church. This location is appropriate for a church, as it is located in an area on Belt Street that has some residential development in the immediate area, but there is also some undeveloped land nearby. There are currently no precautions being considered, as this will be a place of worship, there should be no adverse impacts on neighboring properties, and no precautions seem necessary at this time.
