Dear Gene:

I believe that you are interested in closing one block of Belmont Avenue from Madison St. west.

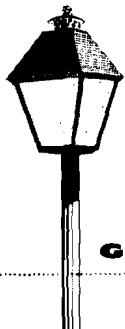

We have no gas line facilities at this location, and of course we would have no objection to closing this portion of Belmont Avenue.

Yours very truly,

W. E. Hix

Re: Closing - Bellmont Avenue

Dear Mr. Sloan:

Your proposed ordinance for the closing of a portion of Bellmont Avenue between Madison Avenue and the East side of Lot 13, Block A of Ridgecrest Addition to Jonesboro, is quite satisfactory with us. The provision you have made in the ordinance for a permanent easement, in favor of City Water and Light Plant for the sewer line installed within this portion of the street, is adequate for us to operate and maintain said sewer line.

We appreciate your interest in this matter. When we may be of help in any way, please call us.

Sincerely,

Marion R. Ulmer
