

***NOTE:** We request your residential address in order to enter your emails into the record. The email comments section is being provided as a courtesy. If you were to attend a City Council meeting in-person, you would be requested to provide your address when addressing the City Council. When you send an email, the City Council should receive your email. However, if you are not a resident, your email will not become a part of the record. As a keeper of the record of the City Council for the City of Jonesboro, AR, the City Clerk's office appreciates and respects all viewpoints. Thank you!*
