Note #1: Expenditures exceed revenues due to one time payments(e.g. \$2.8M lease payoff) and fixed asset purchases made in January. Also grants expenditures must be made before receipt of revenues which makes the Federal Fund operate at a deficit during the Year.

Note #2: The MPO was separated from CDBG in January 2009.

Note #3: Currently \$100K loaned to JETS from General Fund

Note #4: Includes MATA Funds which were closed out and transferred to Street department in March 2009

Note #5: Totals do NOT include fiduciary funds(i.e. PENSION FUNDS & CAFETERIA FUND), since they do not belong to the City. See Notes to Financial Statement below for balances.
