RE: Job Name: Jesus Unlimited, Inc. – Conditional Use Request
Our File Number: 110090

Dear Mr. Spriggs:

This letter is to serve as the necessary narrative letter to accompany the above captioned request.

This site is proposed to be used for a new location of the Jesus Unlimited, Inc. Church. This location is appropriate for a church, as it is located in an area on Belt Street that has some residential development in the immediate area, but there is also some undeveloped land nearby. There are currently no precautions being considered, as this will be a place of worship, there should be no adverse impacts on neighboring properties, and no precautions seem necessary at this time.

As is required, a full development site plan will be prepared, and will meet the current design standards of the City of Jonesboro, and will be submitted through the proper departments for review and consideration.

Thank you for your time and attention. If we may be of further service, please do not hesitate to contact us at your convenience at the contacts shown above.

Respectfully,

Civilogic
