Re: **Spatial Analysis Presentation: April 15, 2008 Council Meeting**

Misty,

Please place the following presentation on Legistar for the April 15, 2008. Byron L. Emas, AIA of PGAV Architects (ASAI Architecture merger) will be presenting the findings and summary of the Spatial Analysis Study that was done previously. The Mayor's Long Range Facilities Planning Committee would like this presentation to be done before full Council, in order to move forward with the next stage of City priorities.

Presenter:
