The Honorable Harold Perrin  
Mayor of Jonesboro  
PO Box 1845  
Jonesboro, AR 72403

Dear Mayor Perrin:

Jonesboro Unlimited is pleased to endorse the conceptualization of a bike and pedestrian network for the City of Jonesboro, as presented in the Quality of Life and Connectivity Master Plan 2018.

The study, prepared by the Ecological Design Group and Civil Engineering Associates, proposes a citywide connectivity network. The concept presented parallels with Jonesboro Unlimited's strategic plan objective to ensure that Jonesboro's quality of life and place-based amenities and assets serve as competitive advantages in attracting and retaining people, companies, and investments that will create economic growth and prosperity.

It is essential that Jonesboro continues to plan for growth with forward-looking vision. Jonesboro Unlimited encourages and supports further development to see visualization of the plan as it advances and is implemented.

Sincerely,

A handwritten signature in blue ink that reads 'Chris B. Barber'.
