DESCRIPTION OF REQUESTED VARIANCE

We want a variance of 29ft from our house or 15ft from the curb so we can build a fence exactly 15ft from the curb.

CIRCUMSTANCES NECESSITATING VARIANCE REQUEST

We are putting in an above ground pool this summer. We also want to put in a shed with boat storage, a patio and covered porch in the next ~~few~~ few years. We also need extra room for our kids and dog to play in the backyard. I would like to also have a small garden or raised beds. So for all our plans we would need the extra footage in our backyard + side yard to enjoy for years to come.
