5. Consent Agenda

Mayor Formon asked for two resolutions concerning property on Belt Street be removed at the request of the property owners. City Engineer Craig Light explained the properties are needed in order to meet the July 31st court mandated deadline for the Pines Apartments improvements. He noted any extra time given would be a setback. Councilman Moore questioned whether they could go ahead and approve the items and then resolve any problems or condemn the property if needed. City Attorney Phillip Crego agreed stating that would be his recommendation. It was decided to leave the resolutions on the consent agenda.

Approval of the Consent Agenda

A motion was made by Councilman Chris Moore, seconded by Councilman Darrel Dover, to Approve the Consent Agenda with the exception of RES-08:020, RES-08:021, RES-08:022, RES-08:023, RES-08:025, RES-08:026 and RES-08:02. The motion passed with a unanimous vote.

[Additional Information](#)

Councilman Moore questioned how they can pass the ordinance without knowing the outcome of the 2006 legislative audit. It was explained the cleanup ordinance is needed in order to keep the City legal. Councilman Moore questioned whether there is a timeframe in which the ordinance has to be adopted. Mayor Formon stated he is not sure, but most cities try to have it completed before March 1. After a roll call vote of 7-5, the motion to adopt the ordinance was denied. It was questioned how the ordinance would be brought back up again. City Attorney Crego explained the ordinance could be brought back up at the next meeting for reconsideration, but someone from the majority vote, which was the vote against the motion to adopt, would have to make the motion to reconsider the ordinance.

A motion was made by Councilman Charles Frierson, seconded by Councilman Darrel Dover, that this matter be Passed . The motion was DENIED after a 7-5 vote against the motion.

8. Mayor's Reports

Mayor Formon introduced Jim Barksdale, the new Finance Director, and Bill Jenkins, the new IT Director.

9. City Council Reports

Councilman Street questioned whether Mayor Formon has met with Associated Engineering yet to negotiate a contract for the master street plan. Mayor Formon stated he has not due to the recent flooding. Councilman Street stated the project needs to move forward.

Councilman Johnson questioned the status of hiring a new Chief Building Inspector. Public Works Director Erick Woodruff stated the job advertisement has expired but the applications did not meet their expectations. He noted they only had one qualified applicant. He added they are still using their Interim Chief Building Inspector. Mayor Formon questioned whether they were going to advertise more. Mr. Woodruff answered they are not sure at this time but they could advertise in some trade magazines. Councilman Johnson explained he has heard some concerns in the public regarding the department as a whole. He recommended either hiring the

interim Chief Building Inspector permanently or hiring someone new. It was questioned where they advertised the position. Mr. Woodruff explained they ran the ad locally, as well as in northwest Arkansas and in the Arkansas Democrat Gazette. Mayor Formon explained they can go ahead with readvertising the position.

Councilman McCall questioned whether the City performs evaluations on employees. Human Resources Director Gloria Roark explained some departments may perform evaluations internally but they do not do evaluations because raises are step raises and not merit based.

Councilman Perrin provided the Council with a proposed resolution from the Downtown Jonesboro Association concerning participation in the Main Street Arkansas program. He noted there is no expense to the City. He asked for the resolution to be placed on the agenda for the April 1 Council meeting.

Councilman Moore announced the Public Safety Committee will be meeting directly after the Council meeting to address items from the rescheduled March 18, 2008, meeting.

Councilman Hargis questioned progress on the sidewalks and noted it would be good for the public to be able to access the information. Mr. Woodruff explained they are planning to publish the list of what is going to be fixed after they've completed the list.

Councilman Frierson questioned whether Associated Engineering had been hired for the master street plan project. Councilman Street explained the Public Works Committee interviewed and ranked the three applicants and Associated Engineering came out first. Councilman Frierson questioned why that didn't come before Council. Councilman Moore explained the only thing that would come before Council is the contract to approve the work with Associated Engineering. Councilman Frierson also noted Jonesboro being listed in the Forbes 50 Best Places for Business and Careers. Jonesboro was ranked 46th in small market cities in the nation.
