Chairman Gibson discussed the timing of the regular meetings. He explained he would like to keep the meetings on a quarterly basis, but would like to move the time to 4:30 p.m. instead of 4:00 p.m. so it flows better with the other meetings. Councilman Hafner added he thinks it would be good to get updates from the JETS and Parks Departments at each meeting. Chairman Gibson agreed. He would like to make their updates a standing item on the agenda.

Councilman Hafner motioned, seconded by Councilwoman Williams, to keep the meetings quarterly but move the time to 4:30 p.m. All voted aye.

Mayor Perrin added they will notify the Parks and JETS Departments that they will give a short update at each Public Services meeting of where they are in projects, etc. He would like the department heads to get into more detail so the committee members know what is going on. Councilman Hafner noted it would be interesting to hear updates about the swimming pool and the participation there, Allen Park and what it's being used for, etc., in addition to routes changing at JETS, etc.
