

Certificate Of Appreciation

CAPT. EVERETT WAYNE DOWDY

4-15-66 to 7-18-86

City Of Jonesboro

JONESBORO, ARKANSAS

DATE July 18, 1986

Your decision to retire as Traffic Division Commander of the Jonesboro Police Department has been received by the department and other directors of the City with keen regret. The ties of twenty years are not easily broken in any case and in the case of a man of your devotion to duty I know this decision was a hard one to make. As compensation for the sacrifice, however, you have the knowledge of an extraordinary length of responsibility conscientiously performed.

Your faithfulness to duties on patrol, in the Criminal Division, as dispatcher, as Records Division Supervisor, and as "TACK" and Traffic Division Commander, and Firearms Training Officer has endeared you to the many members of our organization, few of whom have rendered longer service than your own. They, too, will regret your retirement.

Our other officers have benefitted from the example and counsel derived from your seniority in years and experience. It is my earnest wish to thank you for a job well done in your relinquishment of the positions that you have borne so faithfully with the City of Jonesboro.

MAYOR

Neil J. Stallings

Edward M. Cunningham, Chief of Police
