The Jonesboro City Council conducted a Public Hearing on February 21, 1983 at 6:30 P.M. for the purpose of hearing those interested in a grant application by Craighead County and the Jonesboro softball association for the development of a softball complex south of Jonesboro near the Children's Colony.

Judge Roy C. Bearden called the meeting to order and at that time, he called on Mr. Mike Cameron to explain what the grant application involved at the park. He explained that the money would go for lighting, paved roads, parking, concession stand, bathroom facilities, and fencing.

At this time, Ms. Donna Rogers, Secretary-treasurer spoke to the estimated cost of the lighting at the park. She explained that the grant money would be used in the most economical way possible. She explained that the money that has already been spent at the park was used on the grounds and partial fencing but more money was needed to complete the project.

At the meeting were 49 Citizens of Craighead County who represented the 81 adult softball teams in Craighead County.
