Re: Jonesboro Real Estate Holdings Company, Inc.

Effective February 10, 2004, Cox Communications will have no objection to the abandonment of a utility easement located on Houghton Street in Jonesboro, Craighead County, Arkansas.

RE: Jonesboro Real Estate Holdings Company, Inc.

Dear Sir:

In reference to your request for CenterPoint Energy Arkla to abandon a portion of Houghton Street. CenterPoint Energy Arkla has a two-inch (2") steel gas main running on Houghton Street. We would request a 15' easement with the gas main being the center of the easement.

If we can be of service to you in the future please let us know.

Respectfully,

A handwritten signature in cursive script that reads "Garreth L. James".

Re: Houghton Street Closing (from Matthews to Logan)

Dear Robert:

CWL does not have a problem with the Closing of the above referenced street portion provided a twenty (20') feet wide utility easement can be obtained; ten (10') feet either side of our existing water and electric lines. This will allow continued use of the lines and provide a corridor for repairs and maintenance.

If the utility lines mentioned above need to be totally removed, CWL will work up a cost for this work. When your client has paid this estimated cost, CWL will relocate the lines in an agreed upon location.

Please call if additional information is needed. We can be reached at 930-3320.

Respectfully,

A handwritten signature in black ink, appearing to read "Randy Simpkins", is written over a horizontal line.

Attached is a request for the relinquishment of a street associated with the Replat of Jonesboro Real Estate Holdings' Cobb and Lee Survey in Jonesboro. The proposed plan is to abandon Houghton Street to provide for new construction. There are telephone facilities in the locations specified. I have no objections to this abandonment provided a 10' Utility Easement is provided with ingress and egress rights. Also, if the facilities are to be moved or removed, the responsible party will initiate a Custom Work Order and reimburse SBC the cost of the work requested.

Questions regarding this matter may be referred to me on 870-972-7596.
