

GREATER JONESBORO CHAMBER OF COMMERCE

July 29, 1994

Mayor Hubert Brodell
City of Jonesboro
P.O. Box 1845
Jonesboro, AR 72403

Dear Mayor:

Please accept this letter as a commitment from the Greater Jonesboro Chamber of Commerce regarding our participation in the Bypass Beautification Project.

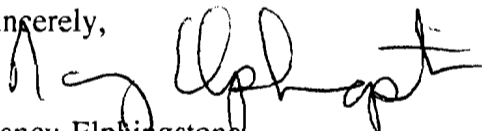

As you well know this project was developed by our Beautification Committee of the Chamber and we are dedicated to the completion of the entire bypass.

Phase 1 of this project includes the interchanges at Stadium Boulevard and Caraway Road and the area between those two interchanges. The Greater Jonesboro Chamber of Commerce agrees to:

1. Secure the necessary 20% match fund for completion of the first phase.
2. Organize volunteers to plant the trees and shrubs.
3. Maintain the plantings including watering the first year or so and possible replacement of trees.

We remain enthusiastic about the completion of phase 1 and all other projects planned in the future on the bypass.

Sincerely,

Nancy Elphinstone
Vice President of Programs
