BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF JONESBORO,
ARKANSAS:

The rental shall be as agreed upon between the grantee and the entity concerned. The rights herein granted for the purposes herein set forth shall not be exclusive and the City reserves the right to grant a similar use of said streets, alleys, public utility easements, public ways and places to any person at any time during the period of this franchise; provided, however, that in the event the City grants authority to a third party to provide multi-channel video services within the City and such authority contains terms that are more beneficial or less burdensome than those contained in the Franchise, Franchisee may adopt the more beneficial or less burdensome terms and conditions by notifying the City in writing, and such terms and conditions shall supersede those contained herein.

SECTION 5 - POLICE POWER

Where any such claim or demand against the City is made by suite or other legal action, written notice thereof shall be given by the City to grantee not less than five (5) days prior to the date upon which an answer to such legal action is due or within ten (10) days after the claim or demand is made upon the City, whichever is the shorter period. Failure by the City to notify grantee properly in accordance with the foregoing of any such claim, suit or demand against the City shall release Grantee from its obligation to indemnify the City as provided herein unless it is shown that the failure to so notify is due to an unavoidable casualty or misfortune.

SECTION 7 - CONSTRUCTION AND MAINTENANCE

- (A) All structures, lines and equipment erected by grantee within the City shall be so located and maintained as to cause minimum interference with the proper use of streets, alleys, public utility easements and other public ways and places and to cause minimum interference with the rights and reasonable convenience of property owners, and so as not to endanger or interfere with the lives of persons or to interfere with any improvements the City shall deem proper to make. Existing poles, posts, conduits, and other such structures of any electric power system, telephone company, or other public utility located in the City shall be made available to grantee for leasing or licensing upon reasonable terms and rates and shall be used to the extent practicable in order to minimize interference with travel and avoid unnecessary duplication of facilities. If other utilities elect to go underground in a specific area of the City, grantee will also place its cables underground. To the extent that existing poles, posts, conduits, and other such structures are not available, or are not available under reasonable terms and conditions, including excessive cost or unreasonable limitation upon the use of grantee's cable television system, grantee shall have the right to purchase, lease, or in any other manner acquire land, rights-of-way, or public utility easements upon or under which to erect and maintain its own poles, conduits, and other such structures as

may be necessary for the construction and maintenance of its cable television system.

- (B) In case of any disturbance by grantee of pavement, sidewalk, driveway or other surfacing, grantee shall, at its own expense and in a manner approved by the City, replace and restore all paving, sidewalk, driveway or surface so disturbed in as good condition as before said work was commenced within thirty (30) working days after the disturbance is completed.
- (C) In the event that at any time during the period of this franchise the City shall lawfully elect to alter or change any street, alley, public utility easement, or other public way requiring the relocation of grantee's facilities, then in such event grantee, upon reasonable notice by the City, shall remove, relay and relocate the same at its own expense; provided, however, that where public funds are allocated for such relocation pursuant to law, grantee shall not be required to pay the cost.
- (D) Grantee shall, on the request of any person holding a building moving permit issued by the City, temporarily raise or lower its lines to permit the moving of the building. The expense of such temporary removal shall be paid by the person requesting the same, and grantee shall have the authority to require such payment in advance.
- (E) Grantee shall have the authority to trim trees upon and overhanging all streets, alleys, public utility easements, sidewalks and public places of the City so as to prevent the branches of such trees from coming into contact with grantee's facilities.
- (F) All poles, lines, structures and other facilities of grantee in, on, over and under the streets, sidewalks, alleys, public utility easements and public grounds or places of the City shall be kept by grantee at all times in a safe and substantial condition.

SECTION 8 - FCC RULES APPLICABLE

This franchise is governed by and subject to all applicable rules, regulations and policies of the Federal Communications Commission, the Cable Communications Act of 1984, and the Cable Television Consumer Protection and Competition Act of 1992, as amended by the Telecommunications Act of 1996, and by the laws of the State of Arkansas. Should there be any modifications of the provisions of the Rules and Regulations of the Federal Communications Commission or state or federal law, that are inconsistent with this franchise, the City and grantee agree that this franchise shall be appropriately amended within one (1) year after the effective date of the FCC's adoption of the modification or upon renewal of this franchise, whichever occurs first.

SECTION 9 - FRANCHISE TERMS

This franchise shall take effect, and be in full force from and after the acceptance by the grantee as provided in Section 15, and the same shall continue in full force and effect for a term of 15 years, provided that there will be a review of the terms hereof and the grantee and grantor's performance hereunder at the end of each three (3) year period. Such review shall take place within three (3) months after the end of each three (3) year period, and as a result of such review, the parties may negotiate any matters pertaining to this franchise, including but not limited to the following items:

- (a) Grantee's failure to provide basic cable TV service to a resident of the City who desires such service, if there is evidence to that effect.
- (b) The nature and/or quality of grantee's service if a substantial number of credible complaints relating thereto have been received.
- (c) The grantee's handling of complaints, changes, charges or other dealings with subscribers if such conduct has been marginal or worse.
- (d) The City's failure to comply with any terms of this Agreement in a timely, businesslike manner.
- (e) Major technical advances in cable television and the telecommunications industry in general, to the extent such advances are applicable to the services provided pursuant to this Franchise.

Any matter subject to negotiation shall be resolved by agreement and incorporated herein by written agreement

SECTION 10 - FORFEITURE

If grantee should violate any of the terms, conditions, or provisions of this franchise or if grantee should fail to comply with any lawful provisions of any ordinance of the City regulating the use by grantee of the streets, alleys, public utility easements or public ways of the City, and should grantee further continue to violate or fail to comply with the same for a period of thirty (30) days after grantee shall have been notified in writing by the City to cease and desist from any such violation or failure to comply so specified, then grantee may be deemed to have forfeited and annulled and shall hereby forfeit and annul all the rights and privileges granted by the franchise; provided, however, that such forfeiture shall be declared only by written decision of the City Council after an appropriate public proceeding before the City Council affording grantee due process and full opportunity to be heard and to respond to any such notice of violation or failure to comply; and provided further that the City Council may, in its discretion and upon a finding of violation or failure to comply, impose a lesser penalty than forfeiture of this franchise or excuse the violation or

failure to comply upon a showing by grantee of mitigating circumstances. Grantee shall have the right to appeal any finding of violation or failure to comply and any resultant penalty to any court of competent jurisdiction. In the event that forfeiture is imposed upon grantee, it shall be afforded a period of six (6) months within which to sell, transfer, or convey this cable television system to a qualified purchaser at fair market value. During this six (6) month period, which shall run from the effective date of the final order or decision imposing forfeiture, including any appeal, grantee shall have the right to operate this cable television system pursuant to the provisions of this franchise. Pursuant to 47 U.S.C. §547(b), the City may purchase the system after termination of the Franchise for cause at an equitable price. If grantee has not removed its facilities within twelve (12) months from the effective date of the final order or decision imposing forfeiture, including any appeal, the City shall have the right to dismantle grantee's facilities at grantee's expense.

SECTION 11 - SURRENDER RIGHT

Grantee may surrender this franchise at any time upon filing with the City Clerk of the City a written notice of its intention to do so at least six (6) months before the surrender date. On the surrender date specified in the notice, all of the rights and privileges and all of the obligations, duties and liabilities of grantee in connection with this franchise shall terminate. If grantee has not removed its facilities from the City's right-of-ways within twelve (12) months of said written notice, the City has the right to dispose of said property as it deems appropriate or to retain same as the absolute property of the City without accounting therefore to the grantee and the expense of such removal shall be charged to and paid by grantee, without credit for the value, if any.

SECTION 12 - TRANSFERS

All of the rights and privileges and all of the obligations, duties and liabilities created by this franchise shall pass to and be binding upon the successors of the City and the successors and assigns of grantee; and the same shall not be assigned or transferred without the written approval of the City Council, which approval shall not be unreasonably withheld; provided, however, that this Section shall not prevent the assignment or hypothecation of the franchise by grantee as security for debt without such approval; and provided further that transfers or assignments of this franchise between any parent and subsidiary corporation or between entities of which at least fifty percent (50%) of the beneficial ownership is held by the same person, persons, or entities shall be permitted without the prior approval of the City Council.

SECTION 13 - FRANCHISE FEES

In consideration of the terms of this franchise, grantee agrees to pay the City a sum of money equal to five percent (5%) of grantee's gross subscriber revenues per annum, as defined in Sub-Section F of Section 3 of this agreement. Such sum shall be paid pro-rata four (4) times per year with payment due within forty-five (45) business days of the end of each quarter. It is further agreed that if during the term of this agreement an increase over five percent (5%) in such franchise fees is allowed by law or regulation, the grantee and the City shall within 120 days of the effective date of the change in the law or regulation enter into negotiations to determine if a change in the franchise fee due herein is appropriate.

The above mentioned franchise fees are in lieu of privilege licenses and similar taxes but not such taxes as ad valorem or vehicle license fees.

SECTION 14 - RECEIVER SALES PROHIBITED

As a condition of this franchise, grantee agrees that is shall not engage in the business of sales, leases, rentals or repair of television or radio receivers, either directly or indirectly; provided, however, that this paragraph shall not apply to converters, decoders, home interactive terminals and other devices as may be used in furnishing any programming or services via grantee's cable televisions system.

SECTION 15 - ACCEPTANCE

This Ordinance shall become effective when accepted by grantee and shall then be and become a valid and binding contract between the City and grantee; provided, however, that this Ordinance shall be void unless grantee shall, within ninety (90) days after the final passage of this Ordinance, file with the City Clerk of the City a written acceptance of this Ordinance and the franchise herein granted, agreeing that it will comply with all of the provisions and conditions hereof and that it will refrain from doing all the things prohibited by this Ordinance.

SECTION 16 - LOCK DEVICES

Grantee shall upon the request of a subscriber supply a device by which that subscriber can prohibit viewing of programming on channels and at times specified by the subscriber. Grantee may charge for this device.

SECTION 18 - UNLAWFUL ACTS

- (B) It shall be unlawful for any person, without the consent of the owner, to willfully tamper with, remove, or injure any cable, wires or other equipment used for the distribution of television signals, radio signals, pictures, programs, sounds or any other information or intelligence transmitted over grantee's cable system.

Cable modem service shall be provided on the same terms and conditions as grantee's basic residential service offering.

In addition to the above, after an upgrade of the cable system is complete such that the number of active channels is more than 70, or December 31, 2003, whichever occurs sooner, the Grantee shall provide:

- (1) One (1) channel on the basic service (basic tier) for non-commercial educational access programming produced by the Radio-Television Department of Arkansas State University. This channel shall be solely for the use of Arkansas State University, except that said department of ASU may relinquish use of such channel to the grantee at times when channel is not being used by the Department of Radio-TV of Arkansas State University. The City shall establish appropriate rules and procedures for use of this access channel notwithstanding, however, that such groups and individuals shall have the right to appeal the application of said rules and procedures through appropriate avenues established by City ordinance. Grantee shall provide qualified personnel, in a number no less than one (1), to assist groups and individuals who wish to make use of the public access channel, in use of the same. Once each three (3) years, during the review period as set forth therein, grantee shall cause to be conducted at grantee's expense an independent audit of its books and records by a CPA satisfactory to the City, and a copy of the audit report shall be furnished to the Mayor who shall treat the report as private, confidential information of the grantee. Grantee agrees to give subscribers notice in advance of the effective date of any substantial change in its service, installation or other charges except in case of any emergency.

SECTION 26 - COMPLAINT COMMITTEE

The Mayor's office shall establish a Complaint Committee of two City officials and one of grantee's subscribers (three individuals) to consider complaints pertaining to grantee's cable TV system, its operation, service, charges, etc. Such complaints may be lodged with the City Clerk. The Committee may act on the complaint as filed, and in any event will refer it to grantee if the complaining party has not previously given grantee a chance to resolve the matter. The Committee may request the complaining party or parties to come to a Committee meeting and furnish additional details. The Committee may invite a representative of grantee to participate in the information-gathering phase of any complaint. The Committee shall work informally with grantee's representatives to try to resolve a complaint, but may also refer the matter in writing and in reasonable detail to the Mayor's office for formal presentation to the grantee.

If said Committee is unable to arrive at an agreement with grantee pertaining to a complaint, after the above procedures have been adhered to, they shall, with a majority vote of the Committee, instruct grantee to correct said complaint. Failure to do so will result in a fine of Twenty-five Dollars (\$25.00) per day commencing the seventh (7th) day after grantee has been notified by the Committee.

SECTION 27 - SEVERABILITY

If any section, subsection, sentence, clause, phrase or portion of this Ordinance is for any reason held invalid or unconstitutional by any Federal or state court or administrative or governmental agency of competent jurisdiction, specifically including the Federal Communications Commission, such portion shall be deemed a separate, distinct and independent provision, and such holding shall not affect the validity of the remaining portion hereof.

SECTION 28 - EFFECTIVE DATE

This Ordinance shall become effective upon acceptance by the grantee. The effective date shall be the date upon which the written acceptance provided for herein is received by the City Clerk.
