MANAGER- ENGINEERING ROW – 1111 W. Capitol – Rm.525:

Attached is a request for the relinquishment of easement in conjunction with the Replat of Lots 15 , 16 & 17 in Rossland Hills Subdivision in Jonesboro. The proposed plan is to abandon the existing utility easement with a new easement to be created. There are no telephone facilities in the existing easement. I have no objections to the abandonment of the existing easement.

Questions regarding this matter may be referred to me on 870-972-7596.

Dennis Nix
Manager- Engineering Design

Utility Abandonment

Dear Brian:

City Water and Light has no objection with the abandonment of the existing ten (10) foot easement as shown on the attached abandonment plat across newly created Lot 15 of Block B, Rossland Hills, Phase II.

Please be advised the replat may require the relocation of water meters in order to be located on the proper lots. This cost would be incurred by the property owners.

Sincerely,

A handwritten signature in black ink, appearing to read 'Ronald L. Bowen', is written over a large, loopy scribble.

Ronald L. Bowen
Manager, City Water & Light
