Mr. Kenneth Camp
Spectrum Cable Company
314 West Washington
Jonesboro, Ar. 72401

Dear Kenneth:

As you are aware, the City of Jonesboro has been in need of additional office space at the City Hall at 314 West Washington for quite some time. Therefore, in accordance with the lease you signed with the City of Jonesboro dated September 15, 1980, regarding your office space at the same location, please be advised that the City of Jonesboro feels it necessary to exercise its option as described in Paragraph (16) and terminate your lease effective May 31, 1987.

Because of the nature of your business and understanding it will be necessary for you to move sensitive equipment, we have extended the moving date and given you an additional 30 days to make arrangements beyond the 30 days required in the lease.

We would be happy to give you a reference if you desire it.

Sincerely,

HUBERT BRODELL
MAYOR
