*Councilmember McClain said he knows the council had discussed the issue before, but he asked that the council look at treating bicycles as vehicles and giving them the right to use a four-lane. He said I know we talked about that signage before and I was looking up just something before I got here. In Arkansas, according to the statute that defines vehicles, the law states that bicycles are not vehicles, but a person riding a bicycle has all the rights and duties of the driver of a vehicle. I wanted to see if we could look at putting that signage up. He asked Communications Director Bill Campbell if they could do something where we create some type of awareness campaign where we say look, this is a law, and we need to abide by the law, everybody. I was looking at that before I came and wanted to throw that out there and see if we can get something done. Mayor Perrin said it was so noted and the council would look at it.*
