*Re: Jonesboro, Recodification*

Dear Donna:

I am pleased to advise that the new City Code has been cleared to press and will ship within the next few days. If you ordered magnetic media for the new code, the CD containing your Code will be prepared and forwarded to you in approximately two to three weeks.

The new Code embraces ordinances through May 5, 2009. Enclosed is a suggested adopting ordinance for the new Code. I recommend that you have the City Attorney review it and have the council adopt it at an early date.

We will also need a copy of each ordinance that has been adopted since May 5, 2009, not previously sent to us for inclusion in the first supplement. We can receive ordinances via e-mail at [ords@mail.municode.com](mailto:ords@mail.municode.com), or you may send disks and/or hard copies of the ordinances to Evelyn Jefferson of our Customer Service Department, who will work with you to make sure that Supplements are published on the schedule that you desire.

Sincerely,
