Dear Brian:

In reply to your April 3, 1990 letter, CWL has a sewer main and a power line in the alley you propose to abandon south of E. Johnson between Fisher and Drake Streets. If this alley is closed CWL will need a twenty (20) foot easement for our existing sewer main and power line.

If you have any questions, please let us know.

Sincerely,

Dear Mr. Wadley:

In response to your letter dated April 3, 1990 concerning the closing and abandonment of the alley between Drake and Fisher Streets, Southwestern Bell Telephone Company objects to this proposal because of existing buried cable in the alley.

If you have any questions, please call 972-7596.

Sincerely,
