The Fee includes compensation for any cost to be incurred by the Consultant and the Consultant shall not be reimbursed for costs incurred. The Consultant shall bear the costs, and resulting risks, of performing this Agreement. The Consultant may only be paid for work actually performed.

Part 31, and the Consultant shall certify the accuracy of all invoices and requests for payment, along with supporting documentation

and any other information submitted to the Owner with any claim for full or partial payment.

3. COSTS, FEES, AND PAYMENT

- 3.1. *Fees.* The justification for the fees and cost and the use of the lump-sum method of payment is contained in Appendix A, the scope of services, and the description of the project as provided herein. In consideration for the engineering services rendered by the Consultant, the Owner shall pay to the Consultant the Fee in the manner provided herein.
- 3.2. *Invoices and Partial Payments.* Payments of the Fee shall be made as follows, unless modified by the written agreement of both parties:
 - 3.2.1. Not more often than once per month, the Consultant shall submit to the Owner, in such form and detail as the Owner may require, an invoice or voucher containing an estimate of the amount and value of the work accomplished under this Agreement for the period of time covered by the invoice.

 - 3.3.1. The Consultant shall submit a completion invoice or voucher, designated as such, promptly upon completion of the work, but no later than forty-five (45) days (or longer, as the Owner may approve in writing) after the completion date. Upon approval of the completion invoice or voucher, and upon the Consultant's compliance with all terms of this Agreement, the Owner shall promptly pay any balance of that part of the Fee (if any) not previously paid. After the release of said retainage Consultant agrees that it will continue to provide consultation services to the Owner as needed through supplemental agreement(s) with respect to the contracted services under this Agreement until all work is completed under both Title I and Title II.

5. DESCRIPTION OF THE PROJECT

5.1. Generally, the project includes identifying and analyzing the current transportation demands, evaluating the impact of extending Parker Road to Washington Avenue, and preparing a final study report for the Parker Extension.

5.2. *Meetings.* The Consultant will conduct one (1) meeting with the Owner and the Arkansas State Highway and Transportation Department (AHTD).

5.3. *Current Transportation Demands.* The study area's current transportation demands will be identified and analyzed.

5.3.1. *Identification of the Current Transportation Demands:* In order to identify the current transportation demands within the study area, the following information will be collected.

- All prior studies conducted within the study area
- New traffic counts (peak hour turning movement and 24-hour machine counts) are expected at the following locations:
 - Southwest Drive (US 49) at Wood Street
 - Southwest Drive (US 49) at Parker Road
 - Parker Road at Wood Street
 - Parker Road at Paula Drive
 - Parker Road at Dabbs Road
 - Parker Road at Dabbs Road/SB On-Ramp
 - Woodsprings Road at Dabbs Road
 - Woodsprings Road at Alexander Drive/NB On-Ramp
 - Washington Avenue just east of the US 63 NB Ramp (24-hour tube count only)
- Previous traffic data compiled by AHTD or the City of Jonesboro along Southwest Drive/Main Street and Washington Avenue

- Site visit to assess local peaking characteristics and observe the extent and duration of vehicle delay and queuing within the study area
- Existing roadway and signalization plans
- Crash data
- Travel time runs

5.3.2. *Analysis of the Current Transportation Demands:* The Consultant will use the collected data and the information compiled from previous studies, the AHTD Statewide Model, and the Owner input to produce base flow diagrams for 2013. The Consultant will analyze the study area using the Highway Capacity Software (HCS 2010) and Synchro/SimTraffic. Historic crash data provided by the Owner and AHTD will be analyzed to determine if there are any crash clusters or prevailing trends in the study area.

5.4. *Impact of Extending Parker Road.* The Consultant will develop “build” condition traffic volumes for the current (2013) transportation demands in the study area. In addition, the proposed connection will be evaluated in relation to the Master Street Plan.

5.4.1. *Current Transportation Demands with the Parker Road Extension:* The utilization of the proposed Parker Road extension will be based on the amount of diversion expected from the Southwest Drive corridor to the Washington Avenue corridor. An estimate of the expected traffic volume carried by the proposed extension will be determined by analyzing the field-collected data, assessing the expected travel time on Southwest Drive compared to Washington Avenue, consulting with local officials, conducting an origin-destination (O-D) study, and applying engineering judgment. The O-D study information will be compiled from an electronic license plate survey that will give an estimate of actual vehicle demand between the Parker Road area and central Jonesboro. In addition, the city will utilize Survey Monkey to get feedback from the public. With this information, 2013 traffic volumes will be developed that shows increased utilization along Parker Road (and Washington Avenue) and potential decreases along Southwest Drive.

5.4.2. *Evaluation of the Parker Road Extension:* Using the 2013 traffic volumes, the Consultant will assess the traffic conditions expected along the proposed Parker Road extension and Washington Avenue corridor and document the improvement expected on Southwest Drive/Main Street with the volume reduction. Alternative intersection treatments such as signalization, roundabout, or other intersection configurations in the Woodsprings Road/Parker Road area will be evaluated in the Synchro analysis using the 2013 traffic volumes. The methodology described for “no build” analysis will be used for the evaluation. In addition, the assessment of traffic signal warrant criteria at several intersections as well as a determination of the number of basic lanes and auxiliary/turn lane needs will be performed.

5.5. *Final Report.* The Consultant will prepare a final report containing an executive summary, the study process, the types and methods of analysis used, the results and conclusions of the study, planning level cost estimates, and all necessary support documentation. A draft report will be submitted to the city and AHTD for review. Once

all comments have been addressed, three bound copies of and one CD copies of the PDF version of the final report will be submitted to the city.

19.2. If any such change causes an increase *or decrease* in the cost of, or the time required for, performance of any part of the work under this Agreement, whether or not changed by the order, the Owner shall make an equitable adjustment in the (1) estimated cost, delivery or completion schedule, or both; (2) amount of any fee; and (3) other affected terms.

19.3. All claims and disputes shall be governed by Section 27, Disputes and Claims. As provided in Section 27, the Consultant must provide written notice of its intention to make a claim for additional compensation before beginning the work on which the claim is based. If such notice is not given, the Consultant hereby agrees to waive any claim for such additional compensation.

19.4. Failure to agree to any adjustment shall be a dispute under Section 27, Disputes and Claims. *However, nothing in this Section or any other provision of this Agreement shall excuse the Consultant from proceeding with the Agreement as changed.*

- 21.5. This indemnity shall not apply unless the Consultant shall have been informed within ten (10) business days following the Owner's receipt of legal notice of any suit alleging such infringement and shall have been given such opportunity as is afforded by applicable laws, rules, or regulations to participate in its defense. Further, this indemnity shall not apply to (1) an infringement resulting from compliance with specific written instructions of the Owner directing a change in the supplies to be delivered or in the materials or equipment to be used, or directing a manner of performance of the Agreement not normally used by the Consultant, (2) an infringement resulting from addition to or change in supplies or components furnished or construction work performed that was made subsequent to delivery or performance, or (3) a claimed infringement that is unreasonably settled without the consent of the Consultant, unless required by final decree of a court of competent jurisdiction.

24. SUCCESSORS AND ASSIGNS

24.1. This Agreement shall be binding upon the parties and their successors and assigns, and except as expressly set forth herein, neither the Owner nor the Consultant may assign, delegate, or transfer any benefit or obligation under this Agreement without the express written consent of the other party. The Consultant's failure to provide and continue in force and effect any insurance required under this Article shall be deemed a Default for which Owner, in its sole discretion, may terminate this Agreement immediately or on such other terms as it sees fit.
- 26.6. *Additional Insurance Requirements.* All insurance maintained by the Consultant pursuant to this Section shall be written by insurance companies licensed to do business in Arkansas, in form and substance satisfactory to the Owner, and shall provide that the insurance will not be subject to cancellation, termination, or change during its term except upon thirty (30) days prior written notice to the Owner.

- 27.5. *Continued Performance.* Pending final resolution of a dispute or claim, unless the Owner has terminated this Agreement pursuant to Section 17, or issued a stop work order pursuant to Section 18, the Consultant shall proceed diligently with the performance of this Agreement in accordance with the Owner's decisions.

27.6. The rights and remedies of the Owner provided in this Section are in addition to any other rights and remedies provided by law or under this Agreement, and shall not constitute a waiver of any other such right or remedy. If the Owner decides the facts justify the action, the Owner may, at its sole option and discretion, receive and act upon a proposal, dispute, or claim submitted at any time before final payment under this Agreement.

28. COVENANT AGAINST CONTINGENCY FEES

28.1. The Consultant warrants that no person or agency has been employed or retained to solicit or obtain this Agreement upon an agreement or understanding for a contingent fee, except a bona fide employee or agency. For breach or violation of this warranty, the Owner shall have the right to annul this Agreement without liability or, in its discretion, to deduct from the Fee or consideration, or otherwise recover, the full amount of the contingent fee.

29. TITLE VI ASSURANCES (NONDISCRIMINATION)

During the performance of this Agreement, the Consultant, for itself, successors, and assigns, certifies and agrees as follows:

29.1. *Compliance with Regulations*. The Consultant shall comply with the Regulations relative to Title VI (Nondiscrimination in Federally-assisted programs of the Department of Transportation and its operating elements, especially Title 49, Code of Federal Regulations, Part 21 and 23 Code of Federal Regulations, as amended, and hereinafter referred to as the Regulations). These regulations are herein incorporated by reference and made a part of this Agreement. Title VI provides that the recipients of Federal financial assistance will maintain and implement a policy of nondiscrimination in which no person shall, on the basis of race, color, national origin, sex, age, or disability, be excluded from participation in, denied the benefits of, or subject to discrimination under any program or activity by recipients of Federal financial assistance or their assignees and successors in interest.

- 29.2. *Nondiscrimination.* The Consultant, with regard to the work performed by it during the term of this Agreement, shall not discriminate on the basis of race, color, national origin, sex, age, or disability in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The Consultant shall not participate either directly or indirectly in the discrimination prohibited by Section 21.5 of the Regulations, including employment practices when the agreement covers a program set forth in Appendix B of the USDOT Regulations.
- 29.3. *Solicitations for Subcontracts, Including Procurements of Material & Equipment.* In all solicitations, either by competitive bidding or negotiation, made by the Consultant or for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential subcontractor or supplier shall be notified by the Consultant of the Consultant's obligations under this Agreement and the Regulations relative to nondiscrimination on the grounds of race, color, national origin, sex, age, or disability.
- 29.4. *Information and Reports.* The Consultant shall provide all information and reports required by the Regulations, or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information, and its facilities by the Owner, the AHTD, or the USDOT and its Affiliated Modes to be pertinent to ascertain compliance with such regulations or directives. Where any information required of the Consultant is in the exclusive possession of another who fails or refuses to furnish this information, the Consultant shall so certify to the Owner, the AHTD or the USDOT and its Affiliated Modes, as appropriate, and shall set forth what efforts it has made to obtain the information.
- 29.5. *Sanctions for Noncompliance.* In the event of the Consultant's noncompliance with the nondiscrimination provisions of this Agreement, the Owner shall impose such contract sanctions as it, the AHTD, or the USDOT and its Affiliated Modes may determine to be appropriate, including but not limited to, withholding of payments to the Consultant under the Agreement until the Consultant complies with the provisions and/or cancellation, termination, or suspension of the Agreement, in whole or in part.
- 29.6. *Incorporation of Provisions.* The Consultant shall include the terms and conditions of this section in every subcontract including procurements of materials and leases of equipment, unless exempt by the Regulations, or directives issued pursuant thereto. The Consultant shall take such action with respect to any subcontract or procurement as the Owner, the AHTD, or USDOT and its Affiliated Modes may direct as a means of enforcing these terms and conditions, including sanctions for noncompliance; *provided*, however that, in the event the Consultant becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of any direction, the Consultant may request the Owner or the AHTD to enter into such litigation to protect the interests of the State, and, litigation to protect the interest of the United States.

30. DBE CLAUSE

- 30.1. The Consultant or subcontractor shall not discriminate on the basis of race, color, national origin, sex, age, religion, or disability in the performance of this Agreement. The Consultant shall comply with the applicable requirements of 49 C.F.R. Part 26 and perform any actions necessary to maintain compliance in the award and administration of DOT-assisted contracts. Failure by the Consultant to comply with or perform these requirements is a material breach of this Agreement, which may result in the cancellation, termination, or suspension of this Agreement in whole or in part, or such other remedy that the Owner may determine appropriate.

30.2. The Consultant shall insert a clause containing all the terms of this Section in all subcontracts under this Agreement.

31. TITLE II OF THE AMERICANS WITH DISABILITIES ACT (NONDISCRIMINATION)

31.1 The Consultant will comply with the provisions of the Americans with Disabilities Act (ADA), Section 504 of the Rehabilitation Act, Title VI of the Civil Rights Act of 1964, FHWA Federal Aid Project Guidance, and any other Federal, State, and/or local laws, rules and/or regulations.

31.2 The Consultant, during the term of this Agreement, shall not discriminate on the basis of race, color, sex, national origin, age, religion or disability, in admission or access to and treatment in programs and activities associated with this Agreement, or in the selection and retention of subcontractors, including procurement of material and leases of equipment. The Consultant shall not participate either directly or indirectly in any discrimination prohibited by the Regulations, including employment practices.

31.3 In accordance with Section 504 regulations 49 C.F.R. Part 27.15, the Owner's Notice of Nondiscrimination is required in any bulletins, announcements, handbooks, pamphlets, brochures, and any other publications associated with this Agreement that are made available to the public, program participants, applicants or employees.

32. CERTIFICATION REGARDING DEBARMENT, SUSPENSION, PROPOSED DEBARMENT, AND OTHER RESPONSIBILITY MATTERS

32.1. The Consultant certifies, to the best of its knowledge and belief, that—

32.1.1. The Consultant and any of its Principals—

32.1.1.1. Are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any federal or state agency;

32.1.1.2. 32.1.1.4. The Consultant has not within a 3-year period preceding this offer, had one or more contracts terminated for default by any federal or state agency.

32.2. *Principals*, for the purposes of this certification, means officers; directors; owners; partners; and, persons having primary management or supervisory responsibilities within a business entity (e.g., general manager; plant manager; head of a subsidiary, division, or business segment, and similar positions). This certification concerns a matter within the jurisdiction of an agency of the United States and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Section 1001, Title 18, United States Code, as well as any other applicable federal and state laws.

32.3. The Consultant shall provide immediate written notice to the Owner if, at any time prior to contract award, the Consultant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

32.4. The certification in Subsection 32.1 is a material representation of fact upon which reliance was placed when making award. If it is later determined that the Consultant knowingly rendered an erroneous certification, the Owner may terminate the contract resulting from this solicitation for default in addition to any other remedies available to the Owner.

33. MISCELLANEOUS

33.1. *General Compliance with Laws.* The Consultant shall comply with all Federal, State, and local laws, regulations, and ordinances applicable to the work, including but not limited to, the Americans with Disabilities Act and Occupational Safety and Health Act as amended.

33.5. *No Waiver of Immunity.* The Owner expressly does not waive any defense of immunity that it may possess under either federal or state law, and no provision in this Agreement shall be construed to constitute such a waiver in whole or in part.

33.6. *Conflicts Between Laws, Regulations, and Provisions.* In the event of conflicting provisions of law, the interpretation shall be governed by the following in this order, from most controlling to least: Federal law and regulations, State law and regulations, Department and FHWA Design Standards, and this Agreement.

33.7. *Severability.* If any term or condition of this Agreement shall be held invalid, illegal, or unenforceable by a court of competent jurisdiction, all remaining terms of this Agreement shall remain valid and enforceable unless one or both of the parties would be materially prejudiced.

33.8. *No-Waiver.* The failure of the Owner to strictly enforce any term of this Agreement shall not be construed as a waiver of the Owner's right to require the Consultant's subsequent performance of the same or similar obligation or duty.

33.9. *Modification and Merger.* This written Agreement and any provisions incorporated by reference reflect the entire agreement of the parties and may be modified only by the express written agreement of both parties.

4. RECORDS & AUDITS

- 4.1. *Records* includes books, documents, accounting procedures and practices, and other data, regardless of type and regardless of whether such items are in written form, in the form of computer data, or in any other form.
- 4.2. *Examination.* The Subconsultant shall maintain, and the Owner, the AHTD, and the FHWA, and their authorized representatives shall have the right to examine and audit all records and other evidence sufficient to document all work performed, all costs and fees claimed or anticipated to be incurred and earned during the performance of this Agreement, any request for modification or amendment of this Agreement, and any

This right of examination shall also include examination and audit of any records considered, relied upon, or relating to the determination that a lump sum type of agreement is justified, including any CPA audit. This right of examination shall also include inspection at all reasonable times of the Subconsultant's offices and facilities, or parts of them, engaged in performing the Agreement.

4.3. *Supporting Data.* If the Subconsultant has been required to submit data in connection with any action relating to this Agreement, including the negotiation of the Fee, request for an adjustment, or assertion of a claim, the Owner, the AHTD, and the FHWA, or their authorized representatives, in order to evaluate the accuracy, completeness, and accuracy of the data, shall have the right to examine and audit all of the Subconsultant's records, including computations and projections, related to—

5. COMPENSATION SUBJECT TO LIMITATIONS OF FEDERAL AND STATE LAW

5.1. The Project (as defined in the Prime Agreement), part of which is to be performed under this Subconsultant Agreement, is a federally-assisted project and federal funds will be used, in part, to pay the Consultant and Subconsultant. Therefore,

notwithstanding any provision of this Subconsultant Agreement or the Prime Agreement, all payments, costs, and expenditures are subject to the requirements and limitations of 48 C.F.R. Part 31, including those relating to determination of indirect cost rates, if applicable. The Subconsultant shall certify the accuracy of all invoices, requests for payment, and cost rates (if applicable), along with supporting documentation and any supporting information or records provided prior to, during, or after the term of this Subconsultant Agreement.

6. SUBCONTRACTING

- 6.1. Unless expressly disclosed in Appendix B, the Subconsultant may not subcontract any of the services to be provided herein without the express written approval of the Consultant. All subcontractors, including those listed in Appendix B, shall be bound by the terms of this Agreement. All subcontractors shall be subject to all contractual and legal restrictions concerning payment and determination of allowable costs, and subject to all disclosure and audit provisions contained herein and in any applicable federal or state law.
- 6.2. Unless the consent or approval specifically provides otherwise, neither consent by the Consultant to any subcontract nor approval of the Subconsultant's purchasing system shall constitute a determination (1) of the acceptability of any subcontract terms or conditions, (2) of the acceptability of any subcontract price or of any amount paid under any subcontract, or (3) to relieve the Subconsultant of any responsibility, obligation, or duty under this Agreement.
- 6.3. No subcontract placed under this Agreement shall provide for payment on a cost-plus-a-percentage-of-cost basis, and any fee payable under cost-reimbursement subcontracts shall not exceed the fee limitations of the FAR.

7. COMMISSION, AHTD, AND FHWA AS THIRD PARTY BENEFICIARIES

- 7.1. This Subconsultant Agreement is between and binding upon only the Consultant and Subconsultant. The Commission, AHTD, and FHWA are not parties to this Subconsultant Agreement, but are expressly made third-party beneficiaries of this

Subconsultant Agreement and shall be entitled to enforce any obligation of the Subconsultant owed to the Consultant. No provision of this Subconsultant Agreement or the Prime Agreement, nor the exercise of any right thereunder, shall be construed as creating any obligation or any liability on the part of, or operating as a waiver of any immunity of, the Commission, the AHTD, the FHWA, or any of their employees, officers, or agents.

7.2. The Subconsultant's sole recourse, if any, for any injury arising under or related to this Subconsultant Agreement, the performance of services hereunder, or compensation or claims hereunder, shall be against the Consultant.

7.3. The Disputes and Claims provisions of the Prime Agreement shall not apply to this Subconsultant Agreement.

8. INSURANCE

8.1. *Professional Liability Insurance Coverage.* The Subconsultant shall maintain at all times during the performance of services under this Agreement professional liability insurance coverage for errors, omissions, and negligent acts arising out of the performance of this Agreement in an amount per claim of not less than five (5) times the original Contract Ceiling Price or \$1,000,000, whichever is less. Such insurance shall extend to the Subconsultant and to its legal representatives in the event of death, dissolution, or bankruptcy, and shall cover the errors, omissions, or negligent acts of the Subconsultant's subcontractors, agents, and employees. Such insurance shall extend to any errors, omissions, and negligent acts in the performance of services under this Agreement committed by the Subconsultant or alleged to have been committed by the Subconsultant or any person for whom the Subconsultant is legally responsible.

8.2. *Deductible.* The Subconsultant may maintain a professional liability insurance policy with a deductible clause in an amount approved by the Consultant if, in the judgment and opinion of the Consultant, the Subconsultant's financial resources are sufficient to adequately cover possible liability in the amount of the deductible. The Subconsultant shall submit promptly to the Consultant, upon request as often as quarterly, detailed financial statements and any other information requested by the Consultant to reasonably determine whether or not the Subconsultant's financial resources are sufficient to adequately cover possible liability in the amount of the deductible.

8.3. *Worker's Compensation Insurance.* The Subconsultant shall at all times during the Term of this Agreement maintain Worker's Compensation and Employers Liability Insurance as required under Arkansas law.

8.4. *General Liability Insurance.* The Subconsultant shall at all times during the term of this Agreement maintain comprehensive general liability insurance coverage for bodily injury and property damage in the combined single limit of \$1,000,000, and comprehensive automobile liability insurance coverage for bodily injury and property damage in the combined single limit of \$1,000,000, which shall cover all owned, hired, and non-owned vehicles. The Subconsultant's insurance coverage shall also cover restoration of plans, drawings, field notes, and other documents in the event of their loss or destruction while in the custody of the Subconsultant.

8.5. *Insurance Policies and Certificates.* The Subconsultant shall provide the Consultant upon request copies of its insurance policies and evidence satisfactory to the Consultant concerning the effectiveness and the specific terms of the insurance. Prior to the execution of this Agreement, the Subconsultant shall furnish to the Consultant certificates of insurance reflecting policies in force, and it shall also provide certificates evidencing all

renewals of any expiring insurance policy required hereunder within thirty (30) days of the expiration thereof. The Subconsultant's failure to provide and continue in force and effect any insurance required under this Article shall be deemed a Default for which Consultant, in its sole discretion, may terminate this Agreement immediately or on such other terms as it sees fit.

- 8.6. *Additional Insurance Requirements.* All insurance maintained by the Subconsultant pursuant to this Section shall be written by insurance companies licensed to do business in Arkansas, in form and substance satisfactory to the Consultant, and shall provide that the insurance will not be subject to cancellation, termination, or change during its term except upon thirty (30) days prior written notice to the Consultant.

Comprehensive General Liability Insurance Coverage required under this Agreement shall be in full force and effect until the final acceptance or the completion of the Subconsultant's services, whichever comes later. All other insurance shall be maintained in full force and effect until final acceptance of the project or completion of the Subconsultant's services, whichever comes first.
- 8.8. *Subconsultant's Insurance Primary.* All insurance policies maintained by the Subconsultant pursuant to this Agreement shall provide that the Subconsultant's insurance shall be primary and the Consultant's own insurance shall be non-contributing.
- 8.9. *Additional Insured.* All liability insurance policies, except the professional liability policy, maintained by the Subconsultant pursuant to this Agreement shall be endorsed to include the Consultant, its officers, directors, managers, employees, agents, assigns and representatives, individually and collectively, as additional insured, and all property damage insurance shall be endorsed with a waiver of subrogation by the insurer as to the Consultant.

9. COVENANT AGAINST CONTINGENCY FEES

- 9.1. The Subconsultant warrants that no person or agency has been employed or retained to solicit or obtain this Subconsultant Agreement upon an agreement or understanding for a contingent fee, except a bona fide employee or agency. For breach or violation of this warranty, the AHTD and Consultant shall have the right to annul this Subconsultant Agreement without liability or, in its discretion, to deduct from the Contract Price or consideration, or otherwise recover, the full amount of the contingent fee.
- 9.2. *Bona fide agency*, as used in this section, means an established commercial or selling agency, maintained by the Subconsultant for the purpose of securing business, that neither exerts nor proposes to exert improper influence to solicit or obtain government contracts nor holds itself out as being able to obtain any government contract or contracts through improper influence.
- 9.3. *Bona fide employee*, as used in this section, means a person, employed by the Subconsultant and subject to the Subconsultant's supervision and control as to time, place, and manner of performance, who neither exerts nor proposes to exert improper influence to solicit or obtain government contracts nor holds out as being able to obtain any government contract or contracts through improper influence.

- 9.4. *Contingent fee*, as used in this section, means any commission, percentage, brokerage, or other fee that is contingent upon the success that a person or concern has in securing a government contract.
- 9.5. *Improper influence*, as used in this section, means any influence that induces or tends to induce a government employee or officer to give consideration or to act regarding a government contract on any basis other than the merits of the matter.

10. TITLE VI ASSURANCES (NONDISCRIMINATION)

During the performance of this Subconsultant Agreement, the Subconsultant, for itself, successors, and assigns, certifies and agrees as follows:

- 10.1. *Compliance with Regulations*. The Subconsultant shall comply with the Regulations relative to Title VI (Nondiscrimination in Federally-assisted programs of the Department of Transportation and its operating elements, especially Title 49, Code of Federal Regulations, Part 21 and 23 Code of Federal Regulations, as amended, and hereinafter referred to as the Regulations). These regulations are herein incorporated by reference and made a part of this Subconsultant Agreement. Title VI provides that the recipients of Federal financial assistance will maintain and implement a policy of nondiscrimination in which no person shall, on the basis of race, color, national origin, sex, age, or disability, be excluded from participation in, denied the benefits of, or subject to discrimination under any program or activity by recipients of Federal financial assistance or their assignees and successors in interest.
- 10.2. *Nondiscrimination*. The Subconsultant, with regard to the work performed by it during the term of this Subconsultant Agreement, shall not discriminate on the basis of race, color, national origin, sex, age, or disability in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The Subconsultant shall not participate either directly or indirectly in any discrimination prohibited by Section 21.5 of the Regulations, including employment practices when the agreement covers a program set forth in Appendix B of the USDOT Regulations.
- 10.3. *Solicitations for Subcontracts, Including Procurements of Materials & Equipment*. In all solicitations, either by competitive bidding or negotiation, made by the Subconsultant for work to be performed under a subcontract, including procurement of materials or leases of equipment, each potential subcontractor or supplier shall be notified by the Subconsultant of the Subconsultant's obligations under this Subconsultant Agreement and the Regulations relative to nondiscrimination on the grounds of race, color, national origin, sex, age, or disability.
- 10.4. *Information and Reports*. The Subconsultant shall provide all information and reports required by the Regulations, or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Owner, the AHTD or the USDOT and its Affiliated Modes to be pertinent to ascertain compliance with such regulations and directives. Where any information required of the Consultant is in the exclusive possession of another who fails or refuses to furnish this information, the Subconsultant shall so certify to the Owner, the AHTD, or the USDOT and its Affiliated Modes, as appropriate, and shall set forth what efforts it has made to obtain the information.
- 10.5. *Sanctions for Noncompliance*. In the event of the Subconsultant's noncompliance with the nondiscrimination provisions of this Subconsultant Agreement, the Owner shall impose such contract sanctions as it, the AHTD, or the USDOT and its Affiliated Modes

may determine to be appropriate, including but not limited to, withholding of payments to the Consultant or Subconsultant under the Agreement until the Subconsultant complies with the provisions and/or cancellation, termination, or suspension of the Subconsultant Agreement, in whole or in part.

10.6. *Incorporation of Provisions.* The Subconsultant shall include the terms and conditions of this section in every subcontract including procurements of materials and leases of equipment, unless exempt by the Regulations, or directives issued pursuant thereto. The Subconsultant shall take such action with respect to any subcontract or procurement as the Owner, the AHTD, or USDOT and its Affiliated Modes may direct as a means of enforcing such provisions, including sanctions for noncompliance; *provided*, however that, in the event the Subconsultant becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the Subconsultant may request the Owner, or the AHTD, to enter into the litigation to protect the interests of the State and litigation to protect the interests of the United States.

11. DBE CLAUSE

11.1. The Subconsultant shall not discriminate on the basis of race, color, national origin, sex, age, religion, or disability in the performance of this Subconsultant Agreement. The Subconsultant shall comply with the applicable requirements of 49 C.F.R. Part 26 and perform any actions necessary to maintain compliance in the award and administration of DOT-assisted contracts. Failure by the Subconsultant to comply with or perform these requirements is a material breach of this Subconsultant Agreement, which may result in the cancellation, termination, or suspension of this Subconsultant Agreement in whole or in part, or such other remedy that the AHTD may determine appropriate.

11.2. *Prompt Payment.* The Subconsultant shall pay its subcontractors, if any, for satisfactory performance of their subcontracts within 30 days of receipt of each payment by the AHTD to the Subconsultant. Any retainage payments held by the Subconsultant must be returned to the subcontractor within 30 days after the subcontractor's work is completed. Failure to comply with this provision shall be considered a Default by the Subconsultant. If the Subconsultant fails to comply with this provision, in addition to any other rights or remedies provided under this Subconsultant Agreement, the AHTD, at its sole option and discretion, may:

- make payments directly to the subcontractor and offset such payments, along with any administrative costs incurred by the AHTD, against reimbursements or payments otherwise due the Subconsultant;
- notify any sureties; and/or,
- withhold any or all reimbursements or payments otherwise due to the Subconsultant until the Subconsultant ensures that the subcontractors have been and will be promptly paid for work performed.

11.3. The Subconsultant shall insert a clause containing all the terms of this section in all subcontracts under this Subconsultant Agreement.

12. TITLE II OF THE AMERICANS WITH DISABILITIES ACT (NONDISCRIMINATION)

- 12.1. The Consultant will comply with the provisions of the Americans with Disabilities Act (ADA), Section 504 of the Rehabilitation Act, Title VI of the Civil Rights Act of 1964, FHWA Federal Aid Project Guidance, and any other Federal, State, and/or local laws, rules and/or regulations.
- 12.2. The Consultant, during the term of this Agreement, shall not discriminate on the basis of race, color, sex, national origin, age, religion or disability, in admission or access to and treatment in programs and activities associated with this Agreement, or in the selection and retention of subcontractors, including procurement of material and leases of equipment. The Consultant shall not participate either directly or indirectly in any discrimination prohibited by the Regulations, including employment practices.
- 12.3. In accordance with Section 504 regulations 49 C.F.R. Part 27.15, the Owner's Notice of Nondiscrimination is required in any bulletins, announcements, handbooks, pamphlets, brochures, and any other publications associated with this Agreement that are made available to the public, program participants, applicants or employees.

13. CERTIFICATION REGARDING DEBARMENT, SUSPENSION, PROPOSED DEBARMENT, AND OTHER RESPONSIBILITY MATTERS

- 13.1. The Subconsultant certifies, to the best of its knowledge and belief, that—

- 13.1.1.2. Have not, within a 3-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) contract or subcontract; violation of federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
- 13.1.1.3. Are not presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated in subsection 13.1.1.2; and,
- 13.1.1.4. The Subconsultant has not within a 3-year period preceding this offer, had one or more contracts terminated for default by any federal or state agency.
- 13.2. *Principals*, for the purposes of this certification, means officers; directors; owners; partners; and, persons having primary management or supervisory responsibilities within a business entity (e.g., general manager; plant manager; head of a subsidiary, division, or business segment, and similar positions). This certification concerns a matter within the jurisdiction of an agency of the United States and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under section 1001, title 18, United States Code, as well as any other applicable federal and state laws.

13.3. The Subconsultant shall provide immediate written notice to the AHTD if, at any time prior to contract award, the Subconsultant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

13.4. The certification in subsection 13.1 is a material representation of fact upon which reliance was placed when making award.
