

MISSION STATEMENT OF
THE GARDENS AT HARMONY EVENT CENTER, INC.

The Gardens at Harmony Event Center, Inc., will contribute to the community hospitality and economic development of Jonesboro, Arkansas, in Craighead County, by offering a venue where local institutions, including other non-profit organizations, can meet for social gatherings, fund raisers, and business development. It will also provide a venue where members of the club can hold family celebrations, such as weddings, anniversaries, birthday parties, etc., which can be attended by a large number of guests.

By providing multiple smaller venues within the large event venue, the club can provide space for groups of up 300 in the glass house, 120 in the main hall, 100 on the outdoor back patio, and 150 in the new courtyard.

The officers of the organization, who are the owners of the facility which the club leases, will continue their practice of offering discounted rental arrangements to other non-profit organizations. They also plan to select a charity each year and host a special event for it.
