Lynda Sommerfeldt-Palmer
Manager Engineering ROW – 1111 W. Capitol – Rm.941:

Attached is a request for the relinquishment of easements associated with the Replat of West Branch Commercial Addition in Jonesboro. The proposed plan is to abandon several utility easements to provide for new construction. There are no known telephone facilities in this location. I have no objections to this abandonment provided only the utility easements indicated are abandoned and the owner or developer assumes responsibility for removal or replacement of any telephone plant found to exist in those easements.

Questions regarding this matter may be referred to me on 870-972-7596.
