

612 Gant Avenue
Jonesboro, Arkansas

City Council
City of Jonesboro
Jonesboro, Arkansas

Gentlemen:

We, the undersigned, hereby request that the alley running South to North from Gant Avenue toward Matthews Avenue, which is West of the property at 612 Gant and East of the property at 610 Gant, be officially closed.

The lot description of 612 Gant Avenue is Lot #13 of Block #1 Gregg and Houghton subdivision of Kitchens Place. There are only two property owners living on either side of the alley running South to North and our signatures are affixed to this petition.

The alley in question actually does not run from Gant Avenue to Matthews Avenue as a house has been built on Matthews since the alley was opened and one would run into the house instead of coming out on Matthews Avenue.

A sketch of the alley and property concerned is enclosed. Neither of us has ever attempted to sketch anything, but we hope that the sketch will at least be a little helpful.

Your consideration in this matter would be greatly appreciated.
