Subject: Sales Tax Report

We just received our Sales Tax Report from the state of Arkansas. The .5% public safety sales tax for the month of March generated \$526,213.95. The city sales tax .01 cent is \$1,052,427.91 and the county sales tax is \$842,499.63 for a total of \$2,421,141.49. The trend is showing sales tax is going up; in fact the combined sales tax is up 4.7% above budget. It appears we're on the right track and let's hope that it continues throughout the remainder of the year. I wanted you to have this information before it's released to the press. Thanks for all you do for the administration.
