RE: Rate Increase Request

TO WHOM IT MAY CONCERN:

We, as a committee of Wrecker/Storage owners & operators, submit for your consideration the need for a rate increase in City, State, & County wrecker calls and storage rates. After reviewing other cities in our trade area, as well as throughout the state, you will find that our charges are significantly lower. Furthermore, our records indicate the current rate has been in effect since 1990.

As you are well aware, operating expenses in any business increase over a period of time. In our particular line of business, the costs of fuel, insurance rates & vehicle operating expenses have increased substantially in the past ten years.

Therefore, we submit to the governing body the following rates be considered for approval:

\$75.00 per base call - plus \$2.00 per loaded mile outside the Jonesboro City Limits and \$15.00 per day storage fees

We appreciate your prompt consideration to this request.

Below is a list of each Owner/Operator on the current rotation list along with his signature:

A-1 Towing <u>Mark Turner</u>	Horton's <u>Ray Harty</u>
Adams Towing <u>Paul Adams</u>	J'boro Towing <u>Alfred Miller</u>
Advanced <u>[Signature]</u>	Mask <u>[Signature]</u>
Browns <u>Jerry Brown</u>	Newcom <u>[Signature]</u>
Fowler Car Carriers _____	Rogers <u>[Signature]</u>
Gillis _____	Stadium <u>[Signature]</u>
Goforth <u>Larry Goforth</u>	Terry's <u>[Signature]</u>
